Brand New Book ***** Print on Demand *****.Maneuver Management is written by Mike Ogniek, a former Marine Corps officer and successful entrepreneur. After the Marines, Mike entered the civilian business world and like so many business owners and managers, he struggled to make his business a success. Eventually, he realized that many of the tools he learned in the Marine Corps could be adapted for running a civilian business. In Maneuver Management, Mike presents the reader with proven tools and processes for better running your business and organization. Whether you are a small business owner, manager, or corporate executive, the tools Mike gives you will help you succeed. Maneuver Management is not a book about business theory, rather it s a book that gives you actual tools and processes for better planning, communication, and execution that you can implement immediately in your business or organization.
