We live in a time when politicians, media and politically correct activists are moving us towards the secularisation of our society and the marginalisation of Christian values. In such a society Christian values have no relevance to daily living. At such a time we give testimony to the power and relevance of Jesus Christ throughout the ups and downs of 55 years of married life. The message of this book is that when we depend completely on God and seek to follow Him wholeheartedly amazing things will result. Many examples are given from our experiences of living in three very different continents. Mike and Joan met while studying pharmacy at the School of Pharmacy, University of London.
