Strength Through Communications, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Voyagers Series is a new multi-media, multi-disciplinary approach to teaching reading that provides students with a stimulating, interactive experience that will enhance their reading enjoyment while promoting better retention of subject matter. The Voyagers Series currently consists of two books, Europe and Africa, with several additional books in the works. The Series features two protagonists, Erin and Drew, who discover the record of many fast-paced adventures that took place in various eras and in distant locations around the world. While the story lines are fictional, the background information is entirely factual. To supplement the reading of the adventures, the Series uses four tools to help teach students learn to read more carefully and to retain what they have read. The first tool consists of TEN CHAPTER QUESTIONS that appear at the end of each chapter in the book or e-book. The chapter questions may cover any of the major areas of study - mathematics, science, history, social studies, foreign languages, etc. The second tool is the online CROSSWORD PUZZLE that the student completes, using the underlined words from the corresponding chapter. The third tool is the designation of one of the puzzle answers as the LIFE LESSON of the chapter. It is a character-building trait that will be revealed to the student after correctly completing the puzzle. The Life Lesson is the CODE that is required to play the online GAME, the fourth tool in The Voyagers Series. The Voyagers Series was designed to be used as a team-building exercise in the early years of a student s reading development. For elementary school students, the teacher or parent may read to the students, then work...
