# Truth is a Pathless Land

By Jiddu Krishnamurti

SOUNDS TRUE INC, United States, 2003. CD-Audio. Book Condition: New. abridged edition. 142 x 130 mm. Language: English . Brand New. The legendary Krishnamurti touched the lives of more spiritual seekers than almost any other realized teacher of our time. His central message: the discovery of truth-enlightenment-could not be attained by following any leader, institution, or ideology, but only through serious personal inquiry into your own experiences. On Truth Is a Pathless Land, Krishnamurti asks you to consider with him the fundamental questions that have forever perplexed humankind. When we simply watch closely whatever is occurring-when we allow ourselves to be rather than strive to become-we awaken to a higher consciousness that is our own great light. Here is Krishnamurti at the pinnacle of his life, guiding you to question and explore: \* The limitations of thought, language, and knowledge \* Mending the broken parts of ourselves and society \* Why the observer and the observed are one, and more Truth Is a Pathless Land presents the essential teachings of this influential figure in a powerful two-hour session where you will experience his wisdom, compassion, and friendship.
