Reviews

Very useful to all of group of folks. I could possibly comprehend every little thing using this created e book. You wont truly feel monotony at anytime of your time (that's what catalogs are for concerning in the event you ask me).

(Claire Carroll DVM)

MI AND MUSEUM CITY

Phoenix Yard Books. Paperback. Book Condition: new. BRAND NEW, Mi and Museum City, Sarah Linda, A hugely enjoyable picturebook jam-packed with detail. You will find yourself poring over the pages for hours. Mi lives in Museum City. With so many museums to visit, you would think Mi would have lots to do. But he's bored and lonely; the city is full of museums about uninteresting things. But a beautiful sound leads him to Yu (a big tall thing), and together they try to persuade the Mayor to open museums about some of the more enjoyable things in life, such as The Museum of Starlit Benches Arranged at Different Heights for Pebble-Dropping and Other Fun Things. REVIEWS: "Readers who like to pore over visual details and eccentric snippets of text will love this unusual picturebook, whose pages are covered with slightly surreal images reminiscent of Spike Milligan's drawings and jokey captions. A book that will inspire readers to come up with their own mad ideas and silly doddles" --Nicolette Jones, SUNDAY TIMES, CHILDREN'S BOOK OF THE WEEK. "An engrossing layout that has the reader going back and forth across the pages to absorb all the intricate details. It repays close attention as there is so much to enjoy, and there's a super poster with an A-Z of the city museums - the detail is amazing" -- PARENTS IN TOUCH. "An exciting book about being observant, imaginative and open to the wonder and delight in even the smallest things, an utterly charming and magical debut. With its intricately detailed, scratchy pencil and wash illustrations this brilliant book is best for curling up with in laps; there are many cameos to comment on and linger over. It will also be enjoyed in classrooms as it lends itself so naturally to encouraging creative, lateral, out-of-the-box thinking. Mi and Museum City...
