Raising the Energies of Mother Earth Towards and After Ascension 2012: The Highest Truth explains that Earth can no longer exist in such negative energies. Her body is crumbling, and her spirit is broken. Yet there is hope as she moves into a new age; we are awakening to the truth of the universe that it is built on love alone. We now have a new chance to build a future free of war, religion, and the illusion of separation from God. The Great Cosmic Council brings forth the highest truth of the universe through the channelling of author Victoria Cochrane in a bid to expel the fallacies that we have come to believe. They tell the truth about creation, our oneness with Creator and the All, and of how our life here on Earth is the way our souls learn the lessons we have chosen to learn for our spiritual evolution.
