XAMonline.com. Paperback. Book Condition: New. Paperback. 402 pages. Dimensions: 11.0in. x 8.4in. x 0.5in. Are you ready to become a Chemistry teacher in Texas? Use XAMonline's updated third edition of TExES Chemistry 7-12 study guide to help you pass your teacher certification exam and advance your career. Aligned with current TExES standards, our study guide provides a comprehensive review of all four domains, including scientific inquiry and processes, matter and energy, chemical reactions, and science learning, instruction and assessment. We give you a thorough review of all domains, competencies, skills, and focus statements tested on the TExES Chemistry 7-12 (240) exam. Unlike other teacher certification test preparation material, our TExES Chemistry 7-12 study guide drills all the way down to the focus statement level, providing detailed examples of the range, type, and level of content that appear on the test. The book includes one full-length multiple-choice practice test to help you test your knowledge, understand how the exam is weighted, and identify skills and competencies you need to focus on. Our detailed answer explanations reference related skills in the book, allowing you to identify your strengths and weaknesses and interact with the content effectively. Maximize your study by prioritizing domains and...
