Several other players likewise eyed with lowering brows their empty purses and left the table, whilst the lucky Kendricks delightedly scooped up his easily won cash and calmly buttoned it into the depths of his trousers pockets. He was a clean faced, finely formed young man, with the telltale lines of dissipation beginning to show around his handsome mouth. Well, friends, he said; don t feel too sore; remember the last fishing expedition we were on! About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
