In fact, responsible parents are very afraid that they may possibly not be bringing up their child in a proper manner. There is a difference between allowing your child to grow up, and you bringing them up. Good parenting is not something that you are going to learn from books. It comes out of experience. This book is going to give you plenty of information about how you can raise really responsible, morally strong, remarkable and praiseworthy children. I remember an instance, when I went on a family excursion with a couple of my relatives, and their children were along too. The children were smart, witty, good-natured, intelligent, high-spirited, self-confident, considerate, and well behaved. During most of the trip, I noticed other people also present during that trip looking at these children admiringly. Most of them must have been feeling how the parents had managed to bring up these well-balanced and happy kids. The parents were reassured that these children were living up to their potential and would become well-balanced adults, and successful in any field they chose. In fact, they were kids, of which any parent could be proud. When confronted with such examples, your first instinct is to ask, how is that these children have turned out so well? Has it something to...
