Reviews

It is one of the best ebooks. Yes, it is actually engaging, still an interesting and amazing literature. It has been developed in an exceedingly straightforward way in fact it is just following it after finishing reading through this book by which basically modified me, altered the way I really believe.

Brand New Book ***** Print on Demand *****.Excerpt from Shanghai Hygiene, or Hints for the Preservation of Health in China Among several valuable Works, bearing on the prevention and treatment of disease in and near the Tropics, written for professional men; I am not aware of any work on these important subjects, which could aid, or be of much use to the general reader. This is a great mistake, considering that a man s health and life are involved in the consequences; and though some know better and do worse, yet it is always safe, and frequently successful, to appeal to the reason and common sense of an Englishman, and to place the real facts, or the truth before him, and let him judge for himself. This I have tried to do in the following pages. It will be observed that I have availed myself largely of the mature experience, and accurate observation of the best Authorities, men who have devoted their time, talents, and life, to the practical study of these matters. My own remarks are also made after much consideration, and some experience of the diseases peculiar to this region, and after carefully observing the effects of this climate on European constitutions. I have been particularly careful not to admit opinions or propositions to be facts, before submitting them to the most strict and rigorous examination; and in the practical investigation of the subjects treated in these pages, over a wide field of medical observation and inquiry, I have constantly striven never to forget or disregard a single fact, however unimportant it appeared at the time of its discovery; but being once satisfied of having found these facts or truths, I have...
