Paperback Pages Number: 554 Publisher: Oriental Press; 1st edition (August 1. 2007). Books in a highly creative. extremely well to show us a series of overarching argument: gender biological science. classical literature and art. the art of medieval literature. modern literature and art. and explains the various types of wars of the era in which masculinity myth. Leo Brody in this book show impressive insight and a keen sense of logic. Particularly valuable is his unique understanding of the psychology of war and the permanent effects of war psychology the concept of the macho. This is a book full of wisdom. not only will certainly have an important impact in the contemporary. it will withstand the test of time. A master's writings. - Paul Fussell. with The Great War and modern memory referred to masculinity. people will always think of robust. the word mighty and masculine. a combination of the above-mentioned characteristics of the warrior in the history of the numerous cultural ideal male model. the war is to prove and demonstrate the best stage of masculinity. Today. around us so-called male crisis - people began to pursue the neutral gender boundaries become increasingly blurred. the female figure can be seen everywhere on the battlefield. even the terrorists are starting to use female suicide bombers to launch suicide attacks . So. we must ask: how a man In the end. what is the real masculinity Face of the above questions. the author of this book. Leo Brody gives a unique answer. who. with his fresh perspective. a detailed and rigorous change trajectory sketched out two thousand years of masculinity. Book to the main line of war. but by no...
