Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, The Diamond Smugglers, Ian Fleming, 'One day in April 1957 I had just answered a letter from an expert in unarmed combat writing from a cover address in Mexico City, and I was thanking a fan in Chile, when my telephone rang.' "The Diamond Smugglers" is the true story of an operation responsible for smuggling millions of pounds worth of precious gems out of Africa. Ian Fleming, creator of "James Bond", drew on interviews with the reluctant hero of the diamond companies' counter-attack to explore the world of the real master criminals of his time. The result rivals Fleming's greatest spy novels.
