Brand New Book ***** Print on Demand *****.Being an officer on the Miden District Police Force is not all its cracked up to be particularly when your partner is a total jerk. When the chance comes along to move up in rank and lose her partner, Armindy Jinx doesn't think twice about it, especially when she finds out that she'll be looking for the detective she's been fantasizing about for the last three years. Undercover and in over his head, Detective Afintae Daedrik has spent the last five months trying to take down an intergalactic sex slave ring that's responsible for a rash of kidnappings in the Miden District. Just as he's on the cusp of finding out who the big boss is, he's surprised to find Officer Jinx cuffed to the arrival table. Desperate to stop the sex slave kidnappings, Armindy poses as bait to draw out the big boss. Embracing the sexual fantasies that await her, including the ones about Afintae, isn't so bad that is, until the head honcho shows up, and things go from fulfilling a curiosity to dangerous in the blink of an eye. Can Armindy and Afintae hold it together long enough to nail their culprit, or will this risky business be the end of them both?.
