## Lucretia Mott (Paperback)

---

By Dorothy Sterling

Feminist Press at The City University of New York, United States, 1999. Paperback. Book Condition: New. 3rd Revised edition. 217 x 140 mm. Language: English . Brand New Book. Lucretia Mott is a genuine and underacknowledged heroine of America's early years, a woman of fierce integrity and quiet strength who played a critical role in both the anti-slavery and the woman's rights movements. In a book that combines an engaging human story with scrupulous historical research, Dorothy Sterling brings Mott to life for young readers. The daughter of a Nantucket sea captain, Lucretia Mott exhibited, from her earliest years, an extraordinary confidence and eloquence. As an adult, she dared to speak out to all-white, all-male audiences when women were treated as second-class citizens. She refused to be silenced when she was attacked by protestors or when meeting halls where her organizations were to gather were burned down. In her later years, Mott became an advisor to presidents and a colleague to such activists as William Lloyd Garrison, Frederick Douglass, Susan B. Anthony, and Sojourner Truth. She was one of the most longstanding, respected, and effective voices in the movements she had helped to pioneer.

*This is actually the finest ebook we have gone through until now. It is written in straightforward words and phrases instead of difficult to understand. It's been designed in a remarkably straightforward way and is particularly just following I finished reading through this book by which basically changed me, change the way in my opinion.*
